Notes to the Financial Statements

for the year ended 30 June 2010

1. Statement of significant accounting policies

The financial report covers Footprints Fundraising Inc. as an individual entity. Footprints Fundraising Inc. is an association incorporated in New South Wales under the Associations Incorporation Act 2009.

This financial report is a general purpose financial report that has been prepared in accordance with Accounting Standards, Australian Accounting Interpretations, other authoritative pronouncements of the Australian Accounting Standards Board and the requirements of the Associations Incorporation Act 2009 and Charitable Fundraising Act (NSW) 1991.

Statement of compliance

Compliance with Australian Accounting Standards ensures that the financial statements and notes of Footprints Fundraising Inc. comply with International Financial Reporting Standards (IFRS).

Basis of preparation

The financial report has been prepared on an accruals basis and is based on historical costs modified by the revaluation of selected non-current assets, financial assets and financial liabilities for which the fair value basis of accounting has been applied.

Going concern

Notwithstanding the net loss for the year ended 30 June 2010 and the accumulated losses for the Association, the committee members have performed a review of the cash flow forecasts and have considered the cash flow needs of the Association. The members have prepared the financial statements on a going concern basis as World Nomads Group Pty Limited are financially able to pay its expenses as and when they fall due.

Third statement of financial position

Two comparative periods are presented for the statement of financial position when the Association:

- i) Applies an accounting policy retrospectively,
- ii) Makes a retrospective restatement of items in its financial statement, or
- iii) Reclassifies items in the financial statements.

We have determined that only one comparative period for the statement of financial position was required for the current reporting period as the application of the new accounting standards have had no material impact on the previously presented primary financial statements that were presented in the prior year financial statements.

Adoption of new and revised accounting standards

In the current year, the Association has adopted all of the new and revised Standards and Interpretations issued by the Australian Accounting Standards Board that are relevant to its operations and effective for the current annual reporting period.

Significant effects on current, prior or future periods arising from the first-time application of the standards discussed above in respect of presentation, recognition and measurement of accounts are described in the following notes.

Adoption of AASB 101 Presentation of Financial Statements (revisions), AASB 2007-8 and 2007-10 Amendments arising from the revisions to AASB 101

Footprints Fundraising Inc. has adopted the revisions to AASB 101 Presentation of Financial Statements in these financial statements which has resulted in the introduction of the statement of comprehensive income, changes to the statement of changes in equity, and other terminology changes.

The following is a summary of the material accounting policies adopted by the Association in the preparation of the financial statements. The accounting policies have been consistently applied, unless otherwise stated.

Accounting policies**a. Income tax**

The charge for current income tax expenses is based on the profit for the year adjusted for any non-assessable or disallowed items. It is calculated using tax rates that have been enacted or are substantively enacted by the balance sheet date.

Deferred tax is accounted for using the balance sheet liability method in respect of temporary differences arising between the tax bases of assets and liabilities and their carrying amounts in the financial statements. No deferred income tax will be recognised from the initial recognition of an asset or liability, excluding a business combination, where there is no effect on accounting or taxable profit or loss.

Deferred tax is calculated at the tax rates that are expected to apply to the period when the asset is realised or liability is settled. Deferred tax is credited in the income statement except where it relates to items that may be credited directly to equity, in which case the deferred tax is adjusted directly against equity.

Deferred income tax assets are recognised to the extent that it is probable that future tax profits will be available against which deductible temporary differences can be utilised.

The amount of benefits brought to account or which may be realised in the future is based on the assumption that no adverse change will occur in income taxation legislation and the anticipation that the Association will derive sufficient future assessable income to enable the benefit to be realised to comply with the conditions of deductibility imposed by the law.

b. Financial Instruments**Initial recognition and measurement**

Financial instruments, incorporating financial assets and financial liabilities, are recognised when the entity becomes a party to the contractual provisions of the instrument. Trade date accounting is adopted for financial assets that are delivered within timeframes established by marketplace convention.

classified as at fair value through profit or loss. Transaction costs related to instrument classified as at fair value through profit or loss are expensed to profit or loss immediately. Financial instruments are classified and measured as set out below.

Classification and subsequent measurement***Loans and receivables***

Loans and receivables are non-derivative financial assets with fixed or determinable payments that are not quoted in an active market and are stated at amortised cost using the effective interest rate method.

Financial liabilities

Non-derivative financial liabilities (excluding financial guarantees) are subsequently measured at amortised cost using the effective interest rate method.

b. Financial Instruments (cont)**Impairment of financial assets**

At each reporting date, the Association assesses whether there is objective evidence that a financial instrument has been impaired. In the case of available-for-sale financial instruments, a significant or prolonged decline in the value of the instrument is considered to determine whether an impairment has arisen. Impairment losses are recognised in the statement of comprehensive income.

The carrying amount of financial assets including uncollectible trade receivables is reduced by the impairment loss through the use of an allowance account. Subsequent recoveries of amounts previously written off are credited against the allowance account. Changes in the carrying amount of the allowance account are recognised in profit or loss.

With the exception of available-for-sale equity instruments, if, in a subsequent period, the amount of the impairment loss decreases and the decrease can be related objectively to an event occurring after the impairment was recognised, the previously recognised impairment loss is reversed through profit or loss to the extent the carrying amount of the investment at the date the impairment is reversed does not exceed what the amortised cost would have been had the impairment not been recognised.

At each reporting date, the Association reviews the carrying values of its tangible and intangible assets to determine whether there is any indication that those assets have been impaired. If such an indication exists, the recoverable amount of the asset, being the higher of the asset's fair value less costs to sell and value in use, is compared to the asset's carrying value. In assessing value in use, the estimated future cash flows are discounted to their present value using a pre-tax discount rate that reflects current market assessments of the time value of money and the risks specific to the asset for which the estimates of future cash flows have not been adjusted.

c. Cash and cash equivalents

Cash and cash equivalents include cash on hand, deposits held at call with banks, other short-term highly liquid investments with original maturities of three months or less, and bank overdrafts. Bank overdrafts are shown within short-term borrowings in current liabilities on the balance sheet.

d. Revenue

Revenue from donations is recognised when pledged.

Interest revenue is recognised on a proportional basis taking into account the interest rates applicable to the financial assets.

e. Comparative figures

When required by Accounting Standards, comparative figures have been adjusted to conform to changes in presentation for the current financial year.

f. Critical accounting estimates and judgements

The Committee Members evaluate estimates and judgements incorporated into the financial report based on historical knowledge and best available current information. Estimates assume a reasonable expectation of future events and are based on current trends and economic data, obtained both externally and within the association.

Key estimates - Impairment

The association assesses impairment at each reporting date by evaluating conditions specific to the Association that may lead to impairment of assets. Where an impairment trigger exists, the recoverable amount of the assets is determined.

13. Financial instruments

Financial risk management policies

The Association's financial instruments consist mainly of deposits with banks, accounts receivable and payable and loans from related parties.

The Association did not have any derivative instruments at 30 June 2010.

a. Financial risk exposures and management

The main risks the entity is exposed to through its financial statements are interest rate risk and liquidity risk.

Interest rate risk

The entity had no fixed or floating rate debt as at 30 June 2010 or 30 June 2009.

Liquidity risk

The entity manages liquidity risk by monitoring forecast cash flows and ensuring that donations to charities are not made until the donations are collected from the underwriters.

b. Financial instrument composition and maturity analysis

The table below reflects the undiscounted settlement terms for financial instruments of a fixed period of maturity, as well as the Committee's expectation of the settlement period for all other financial instruments. As such, the amounts may not reconcile to the balance sheet.

| | Weighted Average Effective Interest Rate | | Floating Interest Rate | | Fixed Interest Rate Maturing within 1 year | | Non-Interest Bearing | | Total | |

| Trade and other payables | | |
| Less than 6 months | 493 | 631 |
| 6 months to 1 year | - | - |
| | 493 | 631 |

c. Interest rate sensitivity analysis

The Association has performed a sensitivity analysis relating to its exposure to interest rate risk at balance date. This sensitivity analysis demonstrates the effect on the current year results and equity which could result from a change in this risk.

At 30 June 2010, the effect on profit and equity as a result of changes in the interest rate, with all other variables remaining constant, would be as follows:

| | 2010 | 2009 |
|-----------------------------------|-------|-------|
| | \$ | \$ |
| Change in profit | | |
| - Increase in interest rate by 2% | 918 | 852 |
| - Decrease in interest rate by 2% | (918) | (852) |
| Change in equity | | |
| - Increase in interest rate by 2% | 918 | 852 |
| - Decrease in interest rate by 2% | (918) | (852) |

No sensitivity analysis has been performed on foreign exchange risk, as the entity is not exposed to foreign currency fluctuations.

14. Events after the balance sheet date

No matters or circumstances have arisen since the end of the financial year which significantly affected or may significantly affect the operations of Footprints Fundraising Inc., the results of those operations, or the state of affairs of Footprints Fundraising Inc. in future financial years.

The financial report was authorised for issue on 19 October 2010.

15. Fundraising activities conducted

Fundraising appeals conducted in 2010, under the Charitable Fundraising Act 1991, included the collection of donations from insurance customers for charities. No other fundraising activities were conducted during the year.

16. New Accounting Standards and Australian Accounting Interpretations

There have been new Australian Accounting Standards and Australian Accounting Interpretations issued or amended, which are applicable to the Association, but are not yet effective. They have not been adopted in the preparation of the financial report, as it is believed these will have no material effect.

Independent Auditor's Report To the Members of Footprints Fundraising Inc.

We have audited the accompanying financial statements of Footprints Fundraising Inc. (the "Association"), which comprises the statement of financial position as at 30 June 2010, and the statement of comprehensive income, statement of changes in equity and statement of cash flows for the year ended on that date, a summary of significant accounting policies and other explanatory notes to the financial statements and the statement by the Committee of Management.

Responsibility of the Committee of Management for the financial statements

The Committee of Management of the Association is responsible for the preparation and fair presentation of the financial statements in accordance with Australian Accounting Standards (including the Australian Accounting Interpretations), Associations Incorporation Act 2009 (NSW) and Charitable Fundraising (NSW) Act 1991. This responsibility includes establishing and maintaining internal controls relevant to the preparation and fair presentation of the financial statements that are free from material misstatement, whether due to fraud or error, selecting and applying appropriate accounting policies, and making accounting estimates that are reasonable in the circumstances. The Committee also states in the notes to the financial statements, in accordance with Accounting Standard AASB 101 Presentation of Financial Statements, that compliance with the Australian equivalents to International Financial Reporting Standards ensures that the financial report, comprising the financial statements and notes, complies with International Financial Reporting Standards.

Auditor's responsibility

Our responsibility is to express an opinion on the financial statements based on our audit. We conducted our audit in accordance with Australian Auditing Standards, which require us to comply with relevant ethical requirements relating to audit engagements and plan and perform the audit to obtain reasonable assurance as to whether the financial statements are free of material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditor's judgement, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the Association's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Association's internal control. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of accounting estimates made by the Committee of Management, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Independence

In conducting our audit, we have complied with the applicable independence requirements of the Accounting Professional and Ethical Standards Board.

Auditor's opinion

In our opinion,

- a the financial report of Footprints Fundraising Inc.
 - i presents fairly, in all material respects, the Association's financial position as at 30 June 2010 and of its performance and cash flows for the year then ended ;
 - ii complies with Australian Accounting Standards (including the Australian Accounting Interpretations) and Associations Incorporation Act 2009;
 - iii the financial report and associated records have been properly kept during the year in accordance with the Charitable Fundraising Act 1991 and the regulations;
 - iv monies received as a result of fundraising appeals conducted during the year has been properly accounted for and applied in accordance with Charitable Fundraising Act 1991 and its regulations; and

v there are reasonable grounds to believe Footprints Fundraising Inc. will be able to pay its debts as and when they fall due.

b the financial report also complies with International Financial Reporting Standards as disclosed in the notes to the financial statements.
